**October 19, 2010**

*REGISTRATION IS NOW OPEN!*

The Maryland Department of Natural Resources (DNR) is proud to announce that the Maryland Trail Summit will be held on Tuesday, October 19th at the Holiday Inn BWI Airport in Linthicum Heights, Maryland. The Summit will bring together trail users from all over the State to discuss the future of trails in Maryland, preview an interactive map and website, work on regional projects, network with other trail users and planners, learn about trails in neighboring states and much more!

This opportunity is not to be missed. This 1-day event is the culmination of ideas and input from the four Regional Roundtables that DNR hosted this past summer. If you are a commuter, boater, bicyclist, rollerblader, hiker, walker, skier, jogger, pet lover, paddler, camper, birder, off-road vehicle rider, equestrian, or anyone else that has an interest in trails in Maryland this is the event for you!

Maryland's very first trail summit is just around the bend, so complete your online registration and come prepared to learn and discuss the future of trails in Maryland. We hope to see you there! <http://www.dnr.state.md.us/land/Trails/FirstTrailsSummit.asp>
